YOLO
CRUISES
You Only Live Once

April 10, 2009

This email is to make very clear to all of our YOLO passengers some facts, and to dispel any of the rumors or gossip that some have chosen to create.

We truly appreciate those of you that are wise enough not to believe them and are grateful to those of you that have been supportive in what YOLO is trying to bring to the Lifestyle.

We have read your kind words and thank you for supporting us.

1.. YOLO Cruises is sailing on April 26, 2009. This is the first ever charter for the Lifestyle and WE are sailing with approximately 1900 passengers. We are sailing.....PERIOD.

2. Carnival had a delay with the booking numbers and have assured us that we will have them very shortly. Once you do receive the booking number, it is only a matter of minutes for you to print them out. Please do not worry.

3. YOLO is completely aware of what is said on Swingular and other sites, so even though we may not post our thoughts or comments, WE are listening.

4. YOLO is finishing all the important details for the cruise and we are extremely busy. If you have called or emailed us, we have received your message and will respond within **72** hours. Please do not leave us multiple messages as this just slows us down. In the event you do not hear back from us after 72 hours has passed, please call or email again. 866 699 9656 or Tatiana@YOLOcruises.com

IF YOU BOOKED THRU A TRAVEL AGENCY, you MUST call them with your questions/changes or comments. Again, your travel agency is to answer your questions. If you did not book through YOLO we will only refer you back to your agent.

5. YOLO, like you is very excited about the cruise and can not wait to meet you. Again we thank you so much for your sweet comments, support and enthusiasm.

6. YOLO would also appreciate you passing on this email to anyone saying anything to the contrary of what is stated here. We have also posted this message on Swingular.

7. We have additional hotel rooms, if anyone needs a room pre or post cruise

please send an email to : Tatiana@YOLOcruises.com It would be helpful if the subject line read "Sheraton"

Again, thank you for your patience and support. We are working every minute on bringing you a memorable vacation.

See you at the Kisses and Hugs Party .

After all.....You Only Live Once !!!!!
