

Hello,

Due to the popular demand for hotel rooms pre and post cruise, we have elected to change the hotel to accommodate more people. We think this is a much better option for the same cost. Your hotel room will still include breakfast and transfers from the airport to the hotel, and then from the hotel to the pier. For your convenience, this change will be made automatically for you. Please see the Sheraton Information that is attached. We know you will be pleased with your new accommodations.

The address and phone number for your records is below:
