VERY IMPORTANT - BEWARE

You will LOVE the crew on the Silhouette, with their big smiles and they are always willing to help in any situation. However, please do not mistake the big smile and friendliness as an invitation that they want to play with you. **THEY DO NOT.** All the crew have families back home and they need these jobs to send money back to them .

This is a double edged sword; if any of the crew are caught doing anything by the 1400 cameras on board, they will be immediately fired and off the ship. **AND** if you are involved, you will also be escorted off the ship at the next port (No Refund and on your own). There are 1435 couples on board - so you already have unlimited choices.

Hi Bliss Cruisers,

Bliss Cruise™

WELCOME! And thank you for joining the historical second Bliss Cruise charter on the beautiful Celebrity SILHOUETTE. Your travel agent, Bliss Cruise staff and partners are grateful for your support for making this second voyage a reality.

And, thanks to your constructive comments, you'll enjoy many of the changes you suggested such as enhanced dining flexibility, new daily menus in the Ocean Cafe, more varied entertainment and shows plus improved sound and music control on the Pool Deck in the afternoons...oh, and more ladies' only functions.

This cruise is special because you and your partner are here. You have lots of choices to make: where to dine, what to wear, where you can enjoy an all-over tan, what parties to attend and whether to participate in the lifestyle...there are no wrong answers and nobody is grading you.

Important guidelines: No means No, respect others, no drugs and no public sex. So step out of your shell and live it up. This cruise is a chance to explore and enjoy the most adult fun you can have without worrying about what the neighbors think. Get creative, relax and talk to everyone you meet.

How do I meet anyone? We've found it's best to just open your mouth...You'll be surprised what happens. You all have one thing in common: Either you're a newbie or you're not. Either way, you'll find it's a good way to start the conversation.

The Top 2 Questions? 1) Do I have to be nude? - Answer: NO; 2) Will I be expected to participate in any lifestyle activities? - Answer: NO

Incredible Couples and Incredible Crew: You won't meet nicer people than those onboard. Both passengers and crew are excited so meet as many as you can. The crew loves you....many signed up again to be back onboard the SILHOUETTE from last year's voyage and they're anxious to see you again.

What's Going On? Bliss plans for the day and night so read the printed program cover to cover, check your Celebrity daily newsletter, turn on your cabin TV for cruise news, or consult the information monitors and event boards located in the public areas.

Who's Helping? Bliss Cruise is honored to welcome many who volunteered to be Bliss Host Couples. If you have questions, just ask your hosts...easy to spot in their colored Bliss shirts. And of course, the security team is here to help, too...look for the "men in black."

Thank you again for your business. Sign up onboard with your travel agent or Bliss Cruise for more 2017 Bliss voyages and stay tuned for 2018 plans.

Sincerely,

Bliss affiliate travel agencies and companies, volunteers, host couples and Bliss Cruises

Wayne's

Corner

Hi everyone and welcome to Bliss' second sailing on the beautiful Celebrity Silhouette. To those couples who sailed on the inaugural Bliss Charter November 2015, it is great to have you back. You can expect to see a number of changes in our program. However, 40% of you are new couples to Bliss and you're going to have an experience of a lifetime.

On the middle 3 days of this charter, we are planning nightly pool dance parties, and as these ports are relatively close, will be easy for our ladies to wear those high heels. Of course, each night will be a different theme.

St Croix, is part of the USVI, but on its north shore, there are dozens of scuba diving shops to show you a great experience. We have arranged as one of our excursions, a great operator to do this very thing.

On this charter, the Celebrity CENTRAL will become the new FANTASY / FETISH area. This is an upscale location to visually and physically live out those fantasies. Equipment will be set up in all 4 corners and with all raised seating - what a great location to watch. Of course the stage will be in play, as well.

As part of this column, it's important to share some things behind the scenes. In the old days of cruising, not that long ago, crew members were forced to work 12 - 14 hours a day or more. With the new international marine labor organization, crew members now can only work 10 hours daily. Stiff penalties against cruise lines are now imposed should this be abused. The HR manager on every ship is an important member of the team to ensure hourly quotas are enforced. This makes for a happy and smiling crew.

Secondly, when most entertainers come on the ship, they are only there for 2 days. They arrive at one port, perform and then they are off to the next port. One of our feature entertainers, C & C MUSIC FACTORY featuring FREEDOM WILLIAMS will be boarding the ship in San Juan and would normally be off the ship in St Maarten; however, they loved our program so much, they asked if they could just stay on the ship and relax for the next 3 days. So to Freedom Williams and his group, have a great time on Bliss.

Also, we have some incredible clothing optional excursions. In ST CROIX, there are both the nude kayaking adventure as well as the Frerksted - sail & snorkel. While in ST MAARTEN, we have arranged the large Catamaran Mirabella which holds up to 70 people and will do both a morning and afternoon excursion up to 4 hours each.

Finally, we have many SEMINARS and MEET & GREETs. Why not get out there and learn some new techniques, and go practice with a new couple? You'll be glad you did. So, don't just sit back and watch, it's time to get out there and participate.

HAPPY CRUISING --- Wayne & Haiyan

PS.: Please fill out our survey form at the expiry of the cruise. We need your feedback so we can continue to impress.

The Language of the Lifestyle

by Barb & Doug

It's time to learn some of the terminology!

Play: Sexual activity and/or physical interaction of a sexual nature with someone other than your partner.

Full Swap: *"For Those Who Go All The Way"* An exchange of partners in which the participants have agreed that intercourse is permissible and a desirable outcome when "playing" with others.

Soft Swap: *"For those not sure how far they want to go or have established a rule not to go all the way"* This type of play generally includes kissing, touching, stroking, and/or oral sex—just about anything short of penetration. This is also often referred to as soft play, as "swapping" partners is not necessarily an integral part of "soft" activities.

Unicorn: *"Not the fairy tale myth with one horn"* Refers to a single female.

BDSM: *"Dying to know?"* Bondage, Domination, Sado-masochism—this covers a wide range of different activities, from playful teasing and gentle spanking to the application of intense pain. There is an entire subculture devoted to individual and group exploration of BDSM, with the practice as varied as those who enjoy it. Still Curious? There is a playroom onboard referred to as a dungeon or fetish room exclusively devoted to BDSM, with introductory demonstrations. You can watch, volunteer or participate.

Hall Pass: *"Isn't a pass to have sex in the hallways"* It is Permission from your partner to engage in sexual activity without your partner being present.

Bare-backing: *"Not save a horse ride a Cowboy"* It is penetration sex without the use of a condom.

Exhibitionism: *"Could it be a Porn Star?"* It is engaging in sexual activity while being watched by others.

Voyeurism: *"Not a Spy Game"* It is gaining sexual pleasure by watching others who are engaging in sexual activity.

Vanilla: *"Nothing to do with Ice cream"* A term used to describe those who are not in the lifestyle; for example, "This will be a lifestyle takeover cruise with no vanilla guests onboard."

Couples Speed Dating: *"Thinking Orgy?"* Actually, no, each couple is given a minute or two to introduce themselves and determine if there's any interest in spending more time together. It's a great way to meet dozens of couples in a short period of time; and, to make sure you don't run out of things to talk about, there's usually a list of prepared or suggested questions to take the pressure off trying to "make conversation."

Onboard Meet & Greets and Seminars - One of the best ways to meet others on the cruise! The days and times are listed in the Bliss Program & Celebrity Daily Newsletter!

The subjects will cover a wide range of topics for Newbies & Advanced: discover your inner desires, explore the ins & outs of female arousal with your partner, sexy cuddle connection through the magic of touch most effective techniques to pleasure your partner, and much more...

Meet as many couples as you can by going to these meet & greets and seminars—and then practice your newly learned techniques. Remember, it's one of the main reasons most couples are on the cruise—to meet others. If the idea of "putting yourself out there" makes you feel uncomfortable, go anyway and be honest with others about your anxiety or apprehension. Being open about your experience or lack of experience, your concerns, and even your curiosities can make you seem sincere and approachable.

Be sure to join EAT friends and our sponsored Sexologist "Dragonfly" nightly at our meet & greets in the Cellar Masters Lounge, Deck 4, 6:00 – 7:00 pm

5 Kinky Things Swingers Enjoy

by Lynn

Does the mere mention of kink send you running for the safe space in your cabin? Well this article is for you! We are kinky swingers. There is actually a term for people like us. You combine the two words into one and you get 'Swinky.'

Swinky (adj) – couples who like to combine kinky play with their sexy play.

We think it's **AWESOME!**

Sometimes we find that when we are getting to know new couples even the mention of kink sends other couples running for the safe space in their cabin. For those brave enough not to run, one of the partners will say 'Kink isn't for us because we don't like pain.'

Well, great news! Kink and fetish play does not have to hurt! Open your mind, read our ideas, and if you feel that nudge of curiosity, give one or all of them a try.

Light Spanking – One of our absolute favorite activities to introduce new kinksters to. It's important to remember this is not a punishment and this is not a contest to see how hard you can hit your partner.

Keep it sexy! Getting into a vulnerable over-the-knee spanking position and baring your bottom can be a little scary and a lot sexy. Here is a bit of anatomy 411: All the same nerves that control arousal can be stimulated by rubbing and gently spanking your

Start off gentle and slowly build up. Go further if you want but only a small spank can do wonders!

This is an equal opportunity activity. Both men and women get aroused by a nice sexy spanking.

Hair Pulling – Pulling on your partner's hair can be a sign of dominance, or a very fun and sexy way of restraining or having control over your partner. Lead them from the couch to the bed by their hair and watch them melt in your hands. Plus, it also makes for a great way to get leverage for a real powerful lovemaking session!

Sensory Deprivation/Sexy Touching – Imagine being at the mercy of your partner(s), blindfolded and unsure of what's coming next. When your eyes can't see what is going on, your other senses will heighten. Try having things like ice, feathers, fingers and lips run all over your naked body and tell me you don't notice a difference.

Handcuffs/Wrist Restraints – This is one of the more obvious topics but pinning your partner down by the wrists, or being pinned and giving up the control of the situation can be very exhilarating. What does s/he have in mind for you next? Combine this with the Sensory deprivation and launch a night of lovemaking into a whole new echelon of pleasure!

Role Playing – Want to pretend to be someone you aren't in everyday life? A millionaire playboy? A promiscuous secretary? The Stern Handed Police Officer? Now's your chance to live those fantasies in a safe and sexy manner, take Bliss' theme nights a little further and come up with characters that really fit into one of your fantasies...live that persona all night!

Adult Play Rooms

Solarium Playroom Deck 12 10 PM-3 AM

This is the largest adult couples only play area ever at sea. With 69 "playbeds" to enjoy, you'll have plenty of chances to pick your playmates. It's couples in/couples out.

Day 3: 9:30 – 11:30

Over the next few days there will be many opportunities to meet couples. There will be meet and greets, dining, playrooms, lounges, poolside, night clubs, BUT speed dating will be the only place designed to help you meet as many couples in as little time as possible.

Speed Dating is very fast paced. First impressions are made in the first 4 seconds of meeting someone. You already know if you like what you see in the couple sitting across from you; if your interest is piqued by a couple in the room; and, most importantly, if you want to make a connection with a couple. So it's very important to ask the right questions to see if the connection you feel is mutual!

Here at Bliss Speed Dating, we're going to give you all an extra 116 seconds to see if there is sexual energy between you, if you want to pursue that couple; if there is a connection, and you want to develop it afterwards. We want to maximize your Bliss Speed Dating experience and help you remember who you liked when you saw, who piqued your interest and most importantly who do you want to make a connection with; therefore, we're also going to give you a few tips to help you along with your scorecards.

Whether if you're new to the lifestyle or this is your first swingers' cruise, Speed Dating is a great way to break the ice. Some of you will click right away, others won't be sure if you clicked and some just won't click, but don't worry. There are other Speed Dating sessions to meet other couples! So relax, get your game on and let's have fun!

Speed Dating sessions run approximately 1 1/2 hours. Please be sure to attend one that you will be able to participate in to the end.

CREATING EXPLOSIVE SEX and WHOLE BODY ORGASMS

Day 2

Odds are you are pretty good at sex, perhaps even terrific! Then why would you even look at expanding your horizons with Tantric techniques? Perhaps the answer is another question - how good can it get?

Our goal for this hour is to discuss various ways to deepen your relationships, to explore methods that will expand your orgasmic potential, to play with the concept of 'orgasm minus ejaculation', to begin the wonderful practice of moving pre-orgasmic energy and ... to have fun. Oh yeah - one more thing - we also want you to forever feel, experience and visualize your body in a whole new way. Our goal is to simply open a door and let you decide if you want to walk through it.

If you are planning to participate in the Erotic and Tantric Massage sessions, please come to this talk. And - REMEMBER TIME CHANGES after we leave the port.

Location: Fantasy Lube Celebrity Central

Time: 10:30 am—11:45 pm

Cost: **FREE**

A ticket is necessary to attend these scheduled events. Pick up your ticket at the Bliss Cruise Help Desk on Deck 3. Tickets are provided on first-request/first-served basis .

TANTRIC EROTIC MASSAGE for COUPLES

Days 2 & 6

EROTIC MASSAGE for COUPLES

Day 3 & 7

We had HUGE lines for both of these special events last year, with some couples attending all 6 sessions. Spend a delightfully sensual and succulent hour and a half with your partner - connecting and communicating at a deeper level.

These guided sessions will include elements of a mindful approach to intimacy, and conscious loving massage techniques that pay off big time in any relationship.

During the Tantric Massage Sessions, we will teach some simple Tantric techniques that can be practiced anytime to deepen intimacy, to experience your body as energy, and to cultivate explosive whole body orgasms. Bring a blindfold or scarf.

During the Erotic Massage Sessions, we will focus on basic erotic massage techniques that will dramatically reduce tension while at the same time create sexual energy. You will learn whole new ways to pleasure your partner.

Important - we use light almond oil - if you are allergic to nuts or have a special massage oil - please bring it.

Both Sessions: **FREE**

PRIVATE TANTRA SESSIONS with Keith and Krisanna

Enjoy a Tantric Experience Session In the privacy and intimacy of your cabin. Our goal is to guide and help you through a simple Tantric, erotic lovemaking session. Our goal is to guide and help you through a simple Tantric, erotic lovemaking session. Our focus will be on using a variety of touching methods, breathing techniques and visualizations to help you let go of the constraints of the physical body and begin feeling your body as electric, as pure energy, as powerful, as light and expansive with the goal of experiencing whole body orgasm and enjoying the pre-orgasmic bliss for as long as possible.

Krisanna is a sex therapist, and we both explore the concepts of energy cultivation and movement with our tai chi and yoga students, so we can also help with any sexual issues or questions you may have.

Note: every couple we meet will be at a different level of understanding and experience, so cannot guarantee any particular results. Every session will be unique - we will just go with the flow. We may work with you individually or as a couple - your choice. And in keeping with the cruise theme - we'll keep it light and have fun.

Cost: **\$299 per session**

We will do a limited number of 1.5 - 2 hour private sessions. You may pre-book - kj@easytaichi.com

As a health and wellness motivational speaker helped audiences worldwide move into a more conscious, energetic, positive existence while still living busy lives. The study of energy cultivation in tai chi and qigong lead naturally into exploring cultivation of energy (chi) in sex.

He is so fortunate to have Krisanna as a sexual, wise, fun, lifelong partner. They have enjoyed several cruises.

As a Clinical Counselor for over thirty years, **Krisanna Jeffery**, BSW, MEd, Sex Educator and Therapist, has worked with many couples around issues of sexuality and intimacy. She encourages open, free and natural conversation around sexual issues, and uses various techniques to help people deal with these sensitive topics, including hypnosis.

Krisanna has a passion for practicing and teaching yoga, with a focus on kundalini yoga - the practice of moving energy through the body. Together with Keith, she teaches mindful meditation - the art of being "right here, right now". Both of these skills are required to practice Tantric Sex and are vital in the cultivation of sexual energy.

She is grateful to have had Keith as a willing partner in building a conscious loving relationship for the past 20 years.

A nationally recognized Somatic Sex Educator and practitioner, Dragonfly offers hands-on techniques to explore new ways of experiencing amazing sex and intimacy.

Whether working in a "play-shop" format or in private sessions, her goal is to help you discover your most erotic, sexual, and loving self. On the Bliss November 2016 cruise, she'll be conducting three exciting "play-shops" designed to take you and your partner to new levels of pleasure and satisfaction. Here's a sneak peak of what she has planned:

- In her **Sexy Cuddle Connection™**, you'll have the opportunity to meet other couples through the magic of touch by connecting with others in a fun and flirty atmosphere.
- **Erotic Pleasure Play For Couples** provides a hands-on demonstration of the most effective techniques to pleasure your partner with three different methods of heightening arousal and increasing sexual sensation. And yes, couples will have the opportunity to personally interact with Dragonfly.
- She's also presenting one of her most popular play-shops, **The Ins and Outs of Female Arousal**, giving ladies the opportunity to explore their yummy bits with their favorite partner. Any pairing is welcome, so gals, bring a friend and share the adventure.

Bliss Cruise™

Hacienda Chichi Suarez

Progreso is known as a container port that provides many jobs in the region and for its welcoming people, the beaches and shopping are not too far away, but Hacienda Chichi Suarez is what you don't want to miss while in Progreso. Bliss Cruise has arranged a private takeover. It's all-inclusive and clothing-optional.

Come and enjoy a Yucatan buffet, live entertainment, fantastic bars that flow with booze, swimming, tanning and more (transportation is included).

This hacienda is a very large estate and it's all yours.

The Hacienda was founded in 1558 by Don Alfonso de Rosado, then passed through several hands until it was purchased by Don Juan de Montejó Maldonado—grandson of the city's founder—from the "encomendero" (holder of a crown grant of tribute and slave labor of the native indigenous people).

The Hacienda maintains the eclectic style of times gone by, with a definite Neoclassic bent expressed in the decorations on the facade, in the friezes and cornices.

Chichen Itza

We're happy to announce that Chichen Itza excursions will be offered on our Bliss Cruise sailing. The stepped pyramids, temples, columned arcades, and other stone structures of Chichén Itzá were sacred to the Mayan Civilization and a sophisticated urban center of the empire from A.D. 750 to 1200. Viewed as a whole, the incredible complex reveals much about the Maya and Toltec vision of the universe—which was intimately tied to what was visible in the dark night skies of the Yucatán Peninsula.

The most recognizable structure here is the Temple of Kukulcan, also known as El Castillo. This glorious step pyramid demonstrates the accuracy and importance of Mayan astronomy—and the heavy influence of the Toltecs, who invaded around 1000 AD and precipitated a merger of the two cultural traditions.

The temple has 365 steps—one for each day of the year. Each of the temple's four sides has 91 steps, and the top platform makes the 365th.

It's an Amazing Wonder, and Bliss Cruise puts you close enough to touch it.

Now is the perfect time to book your excursion.

Upon your return, you have the option of taking a bonus visit to Merida where you can pick up inexpensive gifts for your friends and loved ones. Taking advantage of this complete Progreso excursion package is easy, but space is limited.

C&C Music Factory featuring Freedom Williams

Who doesn't remember the 90's when C&C Music Factory owned the music charts with one pulsating hit after another? For many of us, these tunes not only kept us on the dance floor, but helped a sexual revolution get its groove on.

Keeping it all alive, Freedom Williams & Friends make way to Bliss Cruise for a special performance that will include *Gonna Make You Sweat*, *"(Everybody Dance Now)"*, *"Here We Go (Let's Rock & Roll)"*, *"Things That Make You Go Hmmm"*, and more. Through these hits, Freedom helped C&C Music Factory earn a total of 35 music industry awards worldwide, including five Billboard Awards, five American Music Awards, and two MTV Video Music Awards.

Showtime is on Day 4 at 10 p.m. in the Silhouette Theater. Arrive early. One show only. Following show time, the party continues at Glow Night, an all-night poolside blockbuster showcase leaving nothing for the imagination.

Karisma

Karisma was formed in the city of Miami in 2010. The quad has delivered sounds and performances showcasing Salsa, Bachata, Merengue, Reggaeton, ballads and many more. In August 2011, a contract with Azucar Bar in Coral Gables led to greater popularity among customers, and more notable performances.

In 2015, the band joined Ciboney Place where the weekends alternate with several renowned artists in Miami and Latin America. Karisma was recommended by Celebrity to sail on Bliss Cruise in 2015 for its inaugural sailing. It resulted in the band leaving such a positive impression that passengers asked for their return.

The all-star trio includes drummer/percussionist Rob Herbert and multi-instrumentalist Quinn Shaw. Their energy and passion lead to a show that’s not to be missed.

The trio will also lead a highly anticipated Jump n’ Wave Animal Kingdom Caribbean Dance Party Night with DJ Philly Phil, a must make epic showcase for all passengers on Day 3, poolside.

Formed in Toronto, Canada in early 2014, the quintet proposes a faithful reproduction of the Steve Perry era of the San Francisco act, enriched with audience interactivity, projections, backdrops and true-to-the-original costume changes. AJT doesn’t aim to be a plain carbon copy of the real thing: every effort on stage, from singing and playing to the moves, is so natural and heartfelt that it captivates even the most skeptical critic.
